

Dear Bahn Frei-Player,

Bahn Frei is a brand new board game that is published in its first edition in fall 2020. Due to the strong affiliation to Germany, I decided to publish the material in German only for this edition. In order to make the game accessible to English speakers as well, I compiled an "English ready package" that consists of the following 3 parts:

- 1. Instructions:** translated from German to English, will provide you all information you need to play the game.
- 2. Event cards:** I translated the event cards in a print-ready format. You can choose to print these cards and use the printouts (either with or without the back side) or print the front side on adhesive labels and put them onto the cards that came with the game.
- 3. Glossary:** Explains all terms on the passenger cards, the game board and the train plates

I hope this helps you to get started with the game. Please also consider watching my English "How to play"-Video on Youtube:

<https://youtu.be/DZNyj3-KroY>

Now enjoy Bahn Frei!

Best regards,
Hartmut Haas

This glossary helps you to understand the German terms on the passenger cards, the game board and the train plates:

Passenger Cards

Fahrzeit 3 Runden

Desired travel time by the passenger is 3 rounds

Game Board

Runde

Round

Beschwerd-O-Meter

Complaint-O-Meter: Captures all complaints

Gutschein

Vouchers: Place vouchers you won for the team in this field

Train Plates

Einsteiger

Beginner side of the plate: Use this side for the first game

Reichweite: 8 Felder

Range of moves per round: max. 8 spaces

Wagennummer = (Rest-)Fahrzeit Car number = indicates remaining driving time for passenger

Rundenende = Karten schieben End of the round = Move passengers into next car with a lower number

Vielfahrer

Frequent Traveler: Use this side if you are more advanced

Name in car window 3

Name of the train in frequent traveler variant, e.g. Express, Sinatra

Description in car window 2

Special ability of the train in frequent traveler variant:

- Express

Travels faster on red routes

- Sinatra

Keep one passenger in the car at the end of the round

- Röntgen

Draw one more passenger card from pile and choose to discard one of your choice

- St. Martin

May play with two train parts in rounds 3, 6, 9, 12
